PREAMBLE

This Agreement is made and entered into between Spokane School District No. 81, hereinafter referred to as the “District,” and the Spokane Education Association, hereinafter referred to as the “Association,” on behalf of the Extracurricular employees of the District.

The parties agree it is paramount that the District and the Association work collaboratively to address the challenge of improving the quality of public education. We have the best chance of meeting this challenge if we continue to work together. Focused and intentional work, guided by our mutual interests, will ensure that our students are prepared to lead productive lives in a democratic society.

The District and the Association are committed to the development of a trusting, respectful environment where the participation of all school employees in the work of improving student learning is encouraged and expected. Our joint efforts to develop trust and respect in the organization will focus on a strong commitment to:

- engage in open, honest, and appropriate communication
- share information, knowledge, and experience
- address concerns through collaborative problem solving
- refrain from making judgments until we have a clear understanding of the issues involved
- provide individuals with the opportunity to be involved in those decisions that directly affect their work situation
- value each individual in the organization and respect individual differences
- encourage innovation and risk-taking with a focus on the improvement of student learning

The Association and District believe in the value of identifying our mutual interests and working together to address those interests. A shared understanding of our common interests will allow us to maximize the personal, creative, and academic potential of each student and staff member in the school system.

Our mutual commitment to work collaboratively does not change the fundamental roles and responsibilities assumed by both the District and the Association. The District understands that it is the responsibility of the Union to advocate for its members and to ensure that the rights of individual members are protected for the benefit of all members. The Association understands that it is the District’s responsibility to address the issues of the larger community of educators, students, and parents and to ensure that the work of the District is driven by the mission, philosophy, and goals established by the Board of Directors in accordance with State rules and regulations.

1. Employees shall report absences from extracurricular activities/athletic events to their Extracurricular Lead or designee as soon as possible.
2. When it is deemed necessary the Extracurricular Lead or designee will obtain coverage for the absent employee.
3. In the event an employee is unable to complete an extracurricular assignment due to an extended illness or injury, the assignment may be ended and prorated in order to assign the extracurricular activity to a new employee.
4. Accrual of Sick Leave
 - a. Employees shall accrue non-compensable sick leave at the rate of one (1) hour sick leave for every forty (40) hours worked.
 - b. Earned sick leave will not be accumulated in excess of 40 hours as of August 31st. Up to forty (40) hours of unused sick leave will carry over to the next school year.
5. Use of Sick Leave
 - a. Employees are entitled to use accrued sick leave beginning on the ninetieth (90th) calendar day after the start of their employment.
 - b. Employees using sick leave will be compensated at the rate of pay associated with the assignment(s) from which the employee is absent. Paid sick leave hours will not count towards the calculation of overtime.
 - c. Staff members may use paid sick leave to care for themselves or their family members; when the staff members' workplace or children's school or place of care has been closed by a public official for any health-related reason; bereavement; or for absences that qualify for leave under the Domestic Violence Leave Act.
 - d. For purposes of this section, sick leave will be deducted at a rate of 2 hours for an extracurricular practice and 4 hours for an extracurricular contest/performance.
6. Reporting of Sick Leave
 - a. Employees must report any absence (foreseeable and unforeseeable) to their extracurricular lead as soon as possible before the required start of their extracurricular assignment. Employees must also complete and submit the designated form for timekeeping purposes.
 - b. When an absence(s) has an adverse impact on the program, the employee may be asked to present a doctor's statement attesting to the illness or injury necessitating

the employee's continued absence.

- c. The Extracurricular Lead or designee will determine if a substitute is needed to cover the absence.

7. Separation from Employment

- a. Sick leave accrued under this section is non-compensable and is therefore not eligible for cash-out.
- b. If an employee separates from employment and is rehired by the District within twelve (12) months after the date of separation, the employee's accrued/unused sick leave will be reinstated.

B. District Employees Who Accrue Sick Leave in Positions with Spokane Public Schools and Who Hold Extracurricular Assignments:

1. Employees shall report absences from extracurricular activities/athletic events to their Extracurricular Lead or designee as soon as possible.
2. An employee who needs to be absent from an extracurricular practice or contest/performance due to illness or injury may be excused by the Extra-curricular Lead or designee without loss of pay for the absence, if, in the judgment of the Extra-curricular Lead or designee, duties can be covered to the satisfaction of all concerned.
3. The Extra-curricular Lead or designee will determine if a substitute is needed to cover the absence.
4. The excused absence specified in this subsection is limited to three absences.
5. In the event an employee is unable to complete an extracurricular assignment due to an extended illness or injury, the assignment may be ended and prorated in order to assign the extracurricular activity to a new employee.
6. Should an employee be approved for jury duty leave from their regular District assignment the employee will contact the Extracurricular lead regarding the start of jury service.
 - a. Should an employee be released from jury duty prior to the start of the extracurricular activity, they shall attend the activity.
 - b. When an employee is unable to perform their extracurricular responsibility as a result of jury duty, they shall do so without loss of pay and/or benefits.
7. Should an employee be approved for bereavement leave from their regular District assignment, the leave will be extended to their extracurricular assignment under the terms specified in the collective bargaining agreement governing the employee's regular assignment, if applicable. If the employee's regular assignment is not governed by a

collective bargaining agreement, the terms of the employee's bereavement leave will be governed by Board Policy 5403 (Emergency and Discretionary Leaves). The employee will report their absence as described in B(1) above.

C. Unapproved/Unpaid Absences

1. Absences not covered by accrued sick, jury, bereavement leave, or other absences not otherwise approved will result in loss of pay.

ADDENDUM B

EXTRACURRICULAR EXPERIENCE VERIFICATION

This form is to be completed by each new coach, supervisor, etc., who will be paid on an extracurricular contract. One form is to be completed for each activity or sport by each coach, supervisor, etc., who was not serving in this role in Spokane Public Schools during the last school year. The information on this form will be used to determine the initial placement on the appropriate supplemental salary schedule.

NAME _____ SCHOOL _____

SPECIFIC TITLE OF SPORT/ACTIVITY COACHED _____

I HAVE COACHED THIS SPORT/ACTIVITY FOR _____ YEARS.

PAID: _____ OR _____ If answer is no, proceed to bottom of page and sign and date.
 Yes No

Experience at any level is desirable, enhances the applicant's ability to perform and, may influence the hiring of an applicant. However, to be considered for salary consideration the following must be applicable:

1. Experience must be in a school district on a paid, supplemental contract basis.
2. Experience must be in the same extracurricular activity, at (or above) the organizational level of the current assignment (Elementary, Middle, or High School), with responsibilities and title commensurate with (or beyond) those of the current assignment. If the individual has three (3) or more years of experience at one level lower (elementary to middle school or middle school to high school) they will be granted one step of experience at the higher level. When candidates are hired from school districts with different grade configurations, the specific grade level coached will be used to determine appropriate experience credit.
3. In order to gain experience on the coaching schedule, an employee must coach for more than half of the season. If the experience is from out-of-district, the activity season must have been of the same or longer duration as is common in Spokane Public Schools.
4. Only one year of experience may be earned per activity each year and applied to the following, not the current school year, even if more than one activity or team is coached or advised.
5. When promoted (i.e. junior varsity to varsity) within the same extracurricular activity (e.g., football to football, cross country to cross country. Not baseball to softball or cross country to track) and within the same organizational level in the district (elementary, middle and high school), placement on the salary schedule will be to the first point at which an increase in salary occurs.
6. When an employee moves from a middle school coaching/activity position to a high school coaching/activities position in the same sport/activity, he/she will be placed at the step closest to, but not less than, the amount he/she was making as a middle school coach.
7. Experience in coaching college level students may be applicable. This will be determined through analysis of individual situations by the Human Resources Office.
8. Upon initial hire for an extracurricular position, it will be the responsibility of the employee to complete an Extracurricular Experience Verification form for each activity/sport assigned for salary placement purposes.

PAID COACH/ADVISOR EXPERIENCE:

School year service was rendered	Sport/Activity	Grade Level	School/Location*	Phone Number	Position Held	
					HEAD	ASSIST

* Washington State Sexual Misconduct Disclosure form(s) must also be completed for each district.

I verify that the information on this page is true, correct and complete. If I have given false or incomplete statements, the district may, at its sole discretion, without notice or due process, terminate my employment contract.
